Girl Scouts of Eastern Pennsylvania **HERITAGE PATROL** is one of many Interest Patrols available to Cadette, Senior and Ambassador Girl Scouts. Interest Patrols are a fun addition or alternative to the traditional troop meeting format.

HERITAGE PATROL is a special interest group dedicated to learning about our local heritage, sharing this knowledge with others, and providing service to local organizations working to preserve our heritage. We do special events for Brownies and Juniors four times a year. If you are interested in early American folk arts, exploring local history, participating in community events and sharing your skills with younger girls, you will enjoy being a member of **HERITAGE PATROL**.

This **HERITAGE PATROL** group will meet during **Burnside Plantation** from 12:45–4:15 pm, **Global Heritage Day** from 12:45–4:15 pm, **Victorian Pastimes** from 12:45–3:45 pm, and **Moravian Memories** from 12:45–4:15 pm. Girls attending all sessions will earn their Historic Crafts Badge and they will learn valuable leadership skills.

A \$25 fee will be charged for this program. All girls must also be registered Girl Scouts. They may be registered with their local troop or with **HERITAGE PATROL**. The fee for GSEP registration is also \$25. For more information, email hpgsep@gmail.com.
